## SOLE® Visa® Payroll Card *(subject to employer participation)*

We've partnered with SOLE to eliminate paper checks and provide our employees with a more secure and reliable form of payment. With the payroll card, your money is available instantly on payday without having to pay excessive check cashing fees.

### **\*\*IMPORTANT\*\***

The paycard **belongs to you, not your employer**. It has its own routing and account number, just like a bank account. You can use it for any direct deposit, including: **your second job, next job, and any government benefits** (tax return, social security, etc.).

### **Features:**

- **Mobile App**
  - Check your balance, view transaction history, and find your routing and account information, all with the SOLE Paycard mobile app for Apple and Android.
- **Cash Back**
  - When you swipe your card at the grocery store, select “debit” and follow the instructions for cash back. This feature is available at merchants like Walmart, 7 Eleven, and more!
- **Bill Pay**
  - Instead of using a money order or paying in cash, you can pay your bills with SOLE Bill Pay. You can use Bill Pay for one time payments or set up automatic recurring bills like rent.
- **Everyday Purchases and Online Shopping**
  - Your card can be used anywhere Visa is accepted, even online. All debit and credit transactions are always offered at no-cost.

\*Fees may apply, see cardholder agreement for details
